A residential subdivision limited to single family residences being developed by Developer, for the purposes of ensuring that the property will be used for single family residences only, to prevent nuisances, to prevent impairment of the attractiveness of the property, to maintain the desired tone of the subdivision, and thereby to preserve, as far as practicable, the natural beauty of each lot therein, to ensure the erection thereon of attractive, well-designed, properly proportioned and appropriate homes constructed of proper and suitable materials, with appropriate locations of such homes on the lots, and thereby to secure to each lot owner the full benefit and enjoyment of his home with no greater restriction on the free and undisturbed use of his lot than is necessary to ensure the same advantages to the other lot owners, does hereby covenant and agree with each and every future owner of said property, and any part thereof, and each and every future owner shall, by virtue of becoming such an owner, agree with the Developer and with each other such owner or future owner that the following covenants, restrictions and limitations apply to the property in said subdivision:

After the first to occur of such events, control of the subdivision shall be transferred to all lot owners, and thereafter the owners (including Developer if it is still a lot owner) of a majority of the total lots, in or planned for, the subdivision (including all planned additional Units) may, by written instrument duly recorded, remove any member of Committee, or replace any member, or name a new member in his place in the event he for any reason ceases to serve, and fix the term of service of each new member. On all issues decided by a vote of the lot owners, whether pursuant to this Paragraph or any other provision of this instrument, each lot owner other than Developer shall be entitled to one vote for each lot, in or planned for, the subdivision (including all planned additional Units) owned by the Developer. In the event of the death, resignation, or removal of one or more members of the Committee, the remaining members shall have full authority to act in the name of the Committee pending the appointment of a successor member. With respect to all matters that are, by the terms of this instrument, to be decided by the Committee, the decision of a majority of the members of the Committee shall be final and binding on all parties.

Liability: Neither the Developer, the Committee or the Association, its employees, agents or assigns, shall be liable to any lot owner(s) in Ashford Park for (i) the manner in which it exercises or for its failure or refusal to exercise any right of authority herein granted to it, whether discretionary or not; (ii) for the failure or refusal of any lot owner to comply with any of the provisions hereof, or, (iii) the failure or refusal of the Developer, the Committee or the Association to enforce the provisions hereof against any lot owner, their owner, their builder, agent or assigns. It is the intent of this paragraph to be a preemptive limitation on the effect of these covenants.

The copy of such building plans, specifications and plot plans so submitted may be retained by the Committee. Should the Committee fail to approve or disapprove such plan and specifications within thirty (30) days after submission, approval shall be deemed given, provided, however, such lots shall be and remain in all other respects subject to these restrictions. If such plans and specifications are disapproved, written notice of such disapproval shall be given to the submitting lot owner in person or by registered or certified letter addressed to the lot owner at the address furnished by him with the plans and specifications. Such notice will set forth the particulars upon which disapproval was made, but need not contain any suggestions as to corrective measures to be taken. All submissions to the Committee shall be made in care of Ashford Park, Post Office Box 1318, Gulf Shores, Alabama 36547, or such other address as the Committee shall from time to time designate by instrument recorded in Probate Court of Baldwin County, Alabama.

Nonconforming and/or Unapproved Improvements and Structures: The Committee may require any owner to restore the owner's property to the condition existing prior to the construction, or alteration, of said improvement or structure (including, without limitation, the demolition and removal of any unapproved improvement, structure or alteration) if such improvement, structure, or alteration was commenced or constructed in violation of the terms of this Declaration of Covenants and Restrictions. In addition, the Committee may, but has no obligation to do so, cause the restoration, demolition, and/or removal, of said nonconforming and/or unapproved improvement or structure and subsequently levy the amount of the costs thereof as a special individual assessment against the property upon which such improvements were commenced or constructed. The Committee may also, solely at its discretion, levy a reasonable and appropriate special individual assessment against said property for the nonconforming and unapproved improvement, structure, or alteration.

4. **OFFENSIVE ACTIVITIES:** No obnoxious, offensive, or illegal activity shall be conducted upon any lot, nor shall anything be done thereon that may be or become an annoyance or a nuisance to the neighborhood or violation of the laws and regulations of the City of Foley, Baldwin County, the State of Alabama or the United States of America. Each walkway, driveway, mailbox, lawn ornaments (not including holiday decorations, i.e. birthday, Christmas, Easter), lawn furniture, playground equipment or other above ground structure approved by the Committee shall be completed within six (6) months after initial construction of such structure has begun unless the Committee shall give its written approval to a longer period.

All sidewalks must connect with those of the adjoining lots as a compatible extension thereof. The location, design and construction of all sidewalks must be approved in writing by the Committee prior to construction. The driveway entrance to each lot must be approved in writing by the Committee prior to construction to ensure compatibility of aesthetics and the owner has established adequate erosion control.

All mailboxes shall be decorative and of such size and design as may be approved in writing by the Committee.

13. **SIGNS:** No sign, billboard, banner or flying paraphernalia of any kind shall be placed or maintained upon any lot after sale by the Developer, except that the Developer or any person or entity receiving written permission from the Developer, may display any of the foregoing at its sole discretion except address and mailboxes and one (1) sign of not more than five (5) square feet advertising the property for sale or rent, and signs used by the builder during the construction period not to exceed one hundred twenty (120) days. The Developer shall retain the authority to revoke any written authorization for said displays. Nothing herein contained shall prevent the placing or maintenance of any sign, billboard, banner or flying paraphernalia of any kind anywhere in the subdivision by Builder\Developer, its successors, assigns or contractors; nor shall anything herein contained prevent the flying of the American Flag at anytime by any lot owner on his lot.

14. **PETS:** Dogs, cats, and other small domesticated household animals in a total number not exceeding two (2) may be kept by each owner on each lot owned. Notwithstanding this provision, the Developer and/or the Property Owners' Association shall have the right and authority to grant variances from the setback lines as described herein.

16. **ADJOINING LOT OWNERSHIP:** For the purpose of this instrument, any owner having two or more adjoining lots, may treat, use and build on them as though they were one (1) after making written application and receiving written approval by the Committee. Said approval shall be recorded and operated as an amendment to this instrument.

17. **EASEMENTS:** The easements shown on the plat of the subdivision are hereby adopted as part of these restrictions, and all lots in the subdivision shall be subject to such easements, as shown on the plat, or as herein otherwise described. The Developer reserves unto itself and its successors and assigns, the right and use of said easement but does not assume any obligations to construct, install, operate, maintain, repair or replace power, water, gas, sewer, telephone and other utility lines, equipment and facilities and drainage ditches in, on, over and under the streets, roads, and easements shown on the plat of the subdivision, or to construct, install, operate, maintain, repair, or replace lights, walls, fences, shrubbery, bushes trees and other decorative and screening improvements, in, on, over and under any easement on the property as shown on said plat, with full right of ingress and egress to and from said streets, road and easements and the right to contract generally with others for the doing of any or all of such things as the Developer, in its sole discretion, may deem appropriate or convenient in connection therewith.

19. **VIOLATIONS AND VARIANCES:** The Committee shall, upon written notice by any lot owner, or upon its own initiative, if it so elects, investigate any possible violation of these restrictions and determine by majority vote whether a violation exists. If the Committee determines that no such violation exists, it shall give written notice of its determination to the complainant lot owner, if any, in person or by registered or certified mail, addressed to such lot owner at his last known address. Should the Committee determine that a violation does exist, it shall give written notice of this determination in person or by registered or certified mail to the complainant lot owner, if any, and to the owner of the lot on which, or as to which, such violation exists shall be allowed thirty (30) days after the giving of such notice, or such longer period as the Committee may deem appropriate, in which to correct such violation. Should the violation not be corrected within such period, the Committee, or any owner or owners of any part of the property hereby restricted, shall each have the right, but not the obligation, to prosecute any proceedings at law or in equity against the person or persons found by the Committee to be violating any of these restrictions and prevent him or them from so doing, recover damages for such

violation, and obtain any other legal or equitable relief to which it, he, or they may be entitled under the circumstances. The Committee also may at its discretion impose a reasonable and appropriate special individual assessment against said property based on the violation following said thirty (30) day notice period. No such proceeding shall be commenced, or special individual assessment assessed, until and unless the Committee determines that a violation exists or until the Committee has allowed thirty (30) days after receiving a written complaint of a violation. It is further provided that the Committee may waive or grant a variance in writing as to any one or more of the covenants, restrictions, limitations, or requirements herein specified, at any time prior to the actual filing of legal proceedings regarding a violation thereof, provided, however, that no such waiver or variance shall permit the improvement, use or occupancy of any lot in the subdivision of other than private, single-family residential purposes. This provision is in addition to any other available remedies contained herein and may be combined with the additional terms as contained in Paragraph 3 herein.

20. **TERMS OF RESTRICTIONS:** The covenants, terms, conditions, restrictions, and limitations herein contained shall run with the land and be binding upon all owners and future owners and parties claiming under them, and shall inure to the benefit of and shall be binding upon them, and each of their heirs, executors, administrators, and assigns, for a period of twenty (20) years after the date hereof, at which time the said covenants, restrictions, and limitations shall automatically be extended for an additional period of twenty (20) years, unless at the end of the first twenty-year period or at any time during the second twenty-year period, by vote of owners of two-thirds of the lots then in the subdivision, it is agreed to terminate or change said covenants in whole or in part, said termination or change to be signed by the members of the Committee and recorded in the Probate Court of Baldwin County, Alabama. Should any provision, clause, restriction, limitation, or condition of this instrument be declared unenforceable, illegal, against public policy, or inconsistent with or contrary to the laws or Constitution of the State of Alabama or the United States of America by any court of competent jurisdiction, or by legislative enactment of the State of Alabama, or the United States of America, every remaining provision, clause, restriction, limitation, or condition contained herein not affected by such judicial, or legislative declaration, decision, or act, shall be and remain in full force and effect.

21. **ADDITIONS AND AMENDMENTS:** Developer reserves the right to add one or more additional Units to the subdivision, which, if added, shall be subject to these covenants and restrictions, and all amendments thereto, unless different covenants and restrictions applicable to any such additional Unit are adopted by the Developer and filed of record at such time. Until the time when control of the subdivision is transferred to all lot owners as provided in Paragraph 1 above, Developer may, by written instrument duly recorded, at any time amend these covenants and restrictions, and any amendments thereto, by filing the same of record in the Office of the Judge of Probate of Baldwin County, Alabama, provided, however, that no such amendment shall permit the improvement, use or occupancy of any lot in the subdivision for other than private single-family residential purpose.
