

MANAGEMENT COMPANIES

In case Owners don't volunteer to serve on the HOA Board, I have contacted a some management companies in the area. I do not have any specifics at this time. In the next few months we will schedule a Homeowners meeting so that they can present their procedures, and costs involved with their services.

VOTING PROCEDURES

Only 1 vote can be cast per Property or Lot – no matter how many owners. Only 1 owner per Lot can be appointed to the Board of Directors. The Ballot has the current Board listed and space to write Owners nominated from the floor. If there are any nominations from the floor, please make them now. **(SALLY – WRITE NAMES ON BOARD BEHIND YOU.)** If you have a notarized proxy please give it to Teri and you will be given a ballot for each proxy submitted.

The Election Committee will hand out ballots. Please cast your votes (for up to 9 people) and take your Ballot to the table at the back. Find your name on the Owners list, sign, and note your Driver's License or ID number. Then place your Ballot in the box.

After all ballots are cast, the votes will be counted and the nominees with the most votes will be appointed to the Board. The Board can have as many as 9 members. After the meeting, those elected will meet to decide who will fill the Board positions. The election results will be posted on our website ashfordinfoley.com.
